Effective leadership starts on the inside. Your **EGO** either edges God out or exalts God only. You are either self-serving or a servant. Without God-grounded confidence, you set up defenses to protect your sense of security and self-worth.

3-Head of a Servant Leader

The head is the leader's belief system.

There are two parts to servant leadership.

1. VISION: setting the course and destination
2. IMPLEMENTATION: doing things right with a focus on serving (empower and support)

Vision

The authors list three parts to a vision, your purpose (mission), your picture of the future, and your values.

What is the purpose (mission) of Grace Church?

What is the purpose (mission) of your ministry?

What is your picture of the ideal future for your ministry?

What are the values of Grace Church (ANTIOCH)?

What are the values for your ministry?

What should you do when the values for an organization do not align with your own?

What are the goals for your ministry?

What are you doing to be sure everyone in the organization knows the vision and goals?

Implementation

Consider the people in your ministry. Do you hear a lot of quacking or see a lot of soaring? Why?

Once you've made the vision and goals clear, what is a practical advantage of serving your people?

A great service you can provide your people is constancy of purpose, staying on point.

What types of things tend to pull you off course?

Good leaders maintain constant vigilance for the welfare of their followers.

List three ways to look out for your followers.

What is the tyranny of the "or"?

Every one of us has equal opportunity to get an "A" in life.

According to Bob Buford, what two questions will be on our final exam when we stand before God at the end of our lives?

4-Hands of a Servant Leader

Three Parts of Performance Coaching

1. Performance Planning: providing direction and setting goals
2. Day-to-day Coaching: helping people accomplish their goals by observing their performance, praising progress, and redirecting off-kilter efforts
3. Performance Evaluations: meeting people to discuss their periodic performance

How do you make sure each person in your ministry knows what a good job looks like?

What are some of the things you do to help people in your ministry get “As” (accomplish the goals of the ministry)?

Think about each person in your ministry. What is his or her skill level regarding ministry responsibilities?

- NOVICE: just beginning to serve in the role
- APPRENTICE: in training
- JOURNEYMAN: capable of working independently
- MASTER: highly skilled, able to teach others

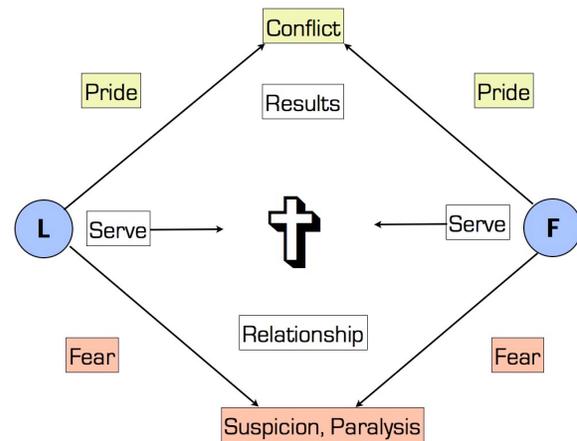

In the box below, match the skill level to the needs for that skill level.

NOVICE	A. your encouragement, reassurance, correction
APPRENTICE	B. opportunities, challenges
JOURNEYMAN	C. you to tell them what to do and how to do it
MASTER	D. appreciation, a helping hand when they falter

When you were a NOVICE in your ministry, what did you get from the leader that helped you grow into an apprentice?

What methods have you used to show appreciation to JOURNEYMEN in your ministry?

EGO Factors

In the diagram above, what is the outcome of a leader or follower responding:

- Out of fear?
- Out of pride?
- Out of a commitment to serve Christ?

What is a leader's best first step to inspire and equip others to higher standards of performance?

What are some fear and pride issues that NOVICES face in your ministry?

What are some challenges you face in relating helpfully to those serving in your ministry at each of the skill levels?

What specific things will you do to apply something you learned from this chapter?

5-Habits of a Servant Leader

Seek Solitude

How often do you take time to listen for the 'still small voice' [1Kgs 19:12]?

During the following key times, how often do you seek solitude?

Key Time	never<.....>always
To prepare for a leadership opportunity [Mat 4:1-11]	1 - 2 - 3 - 4 - 5
When you need to make a decision [Mark 1:32-38]	1 - 2 - 3 - 4 - 5
When you experience a loss [Mat 14:13]	1 - 2 - 3 - 4 - 5
After experiencing a success [Mat 14:23]	1 - 2 - 3 - 4 - 5

- What are your biggest barriers to seeking solitude?
- What are some ways to overcome barriers to seeking solitude?

Pray

Prayer should be a conversation with God rather than a set of techniques. A framework is simply a tool to help you remember important aspects to include in the conversation.

- What is the ACTS framework the authors describe?
- What are other prayer frameworks you have used?
- How would you characterize the quality and frequency of your prayers?

Study & Apply God's Word

In a typical week, how often do you study and apply God's Word?

Meditate (Psa 1:1-2)	0 - 1 - 2 - 3 - 4 - 5 - 6+

Trust God's Unconditional Love

Rom 8:38-39 For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord. (NKJV)

- To what degree does meditating on the above passage help you trust God's love?
- What are some experiences you have had of God demonstrating His love for you?

Develop Supportive Relationships

- Do you have at least one trusted truth-teller in your life?
- What can you do to find, keep, and appreciate truth-tellers in your life?

Are you a truth-teller in someone's life?

- If not, why not?
- If you are, describe the challenges and joys of such a responsibility.

6-Why Lead Like Jesus?

Do you truly love Christ? In what ways are you feeding His sheep ([John 21:15-17](#))?

Practical Reasons

In what ways does your experience support or contradict the following statement?

He qualifies the called. -Henry Blackaby*

- I'm UNSETTLED thinking about it. What if I have a negative effect?

If you want to see a positive change in others, where should you focus first?
