

# Life is All About Christ

## Purpose of Life

Many people ask, "What is the meaning of life?"  
How would you answer that question?

## Life is All About Christ

- The point where life truly begins is when you accept Christ as your Lord and Savior (**Eph 1:15-23**).
  - ▶ If you have Christ as your Lord and Savior, how has your life changed since you accepted Him?
  - ▶ If you do not have Christ as your Lord and Savior, what prevents you from accepting Christ?
- The only place to find eternal happiness is in Christ. Paul told the Ephesians that God opens the eyes of believers so they understand the **hope** of His calling. How would you describe that hope?
- Paul is an eloquent writer and does his best to describe God's overwhelming, supernatural power. Make a list of the most powerful things you know outside of God. How does it affect you to know that God is more powerful than all those things?
