## **Don't Die in the Wilderness**

by *gracelead*

In [1Corinthians 10:5-13](#), Paul listed five reasons the Hebrews died in the wilderness (lust, idolatry, sexual immorality, tempting God, complaining).

Use this reminder as a springboard for action in your own life.  
Keep returning to God. Allow Him to guide you through wilderness.

Determine not to die in the wilderness just short of the Promised Land!
