## How to Use Parables

By [gracelead](#)

Take some tips for communicating a vision from the Master. Notice how Jesus used parables ([Mat 13](#)).

Parable means to “cast alongside.” A parable is a story or comparison put alongside something to make a message clear.

To follow His communication example:

- **Simplify** the message. Focus on something familiar to your audience. Use comparisons or stories.
- **Know** the **needs** of your audience.
- **Watch** for moments when they are receptive to hearing.
- **Model** the truth. Live a life worthy of following.
- **Check** to be sure they understand.
