## Protect Against the Foxes

By *gracelead*

Do you protect people against the foxes?

*Take us the foxes, the little foxes, that spoil the vines: for our vines have tender grapes, (Song 2:15).*

Here are some little foxes that can ruin relationships:

- Lack of encouragement
- Unclear goals and expectations
- Negativity

What are some other little foxes that concern you?

- Do you keep watch for little foxes that try to creep in and do damage?
- Do you build fences to keep them out of the garden?
